

We're recruiting for a Salaried GP

Melton Mowbray, Leicestershire

In partnership with patients for health and wellbeing

www.lathamhouse.nhs.uk

Salaried GP

Let's talk about size!

At Latham House, we're proud of ours, ~37,200 patients. One site. 140+ staff. And somehow still a place where you'll know people's names, share a coffee each morning, and have time to breathe between patients (and occasionally have a snack or two).

We're looking for a **Salaried GP** to join our well-oiled, mildly chaotic (in the best way) machine. If you're after a role where you can genuinely make a difference, be supported by a brilliant team, and still finish work at a reasonable time — this might just be your perfect fit.

-  6–8 sessions per week
-  Salary? Let's just say it's generous and reflective of your greatness
-  15-minute appointments (because some things just can't be rushed...)

The Nuts & Bolts

- High-achieving QOF – yes, we've got standards, and yes, we love smashing them
- 6–8 sessions per week – flexible, like a good yoga instructor
- Salary reflective of experience – and your general brilliance
- 15-minute appointments – we like to give patients (and you) room to breathe
- Up to 25% remote working – the joy of consulting in comfy clothes
- 7 weeks leave + 9 sessions study leave – because burnout's not a vibe
- NHS pension, GMC + defence fees paid – we've got your back, financially and legally
- Partner mentor & daily GP coffee break – we believe in talking it out, with caffeine
- Digital systems (AccuRx and more) – we let the tech take the strain
- Social events – because sometimes you need to dance like no one from CQC is watching
- CQC rating: Good (again!) – we're proud, but not smug

Who You Are

- GMC-registered
- On the performers list
- Committed to delivering quality care
- Comfortable in a big, bustling practice

 Follow us on Twitter: @LathamHouseMP

 Follow us on Facebook: @Lathamhousemedicalpractice

- Keen to join a team where your input matters – and your tea preferences are respected
-

Who We Are

We're **Latham House Medical Practice** – a mighty single-site operation delivering high-quality, patient-focused care with **continuity lists**, a forward-thinking mindset, and a sense of humour that gets us through even the busiest days.

Our multidisciplinary team includes:

- 6 Partners
 - 19 Salaried GPs
 - A swarm of Practice Nurses, HCAs, Pharmacists, ACP, Mental Health Nurse, and more
 - An admin team so slick, they make your job easier without you even noticing
-

Where Are We?

We're based in **Melton Mowbray** – the pork pie capital of the UK and surprisingly well-connected: Leicester and Nottingham – both within commuting reach (if you must).

Ready to make a big move?

Whether you're looking for **flexibility, support, a future partnership**, or just somewhere that really gets what being a GP should feel like – **we're your people**.

Apply now, and bring your skills, your passion, and your favourite mug (seriously, we have a lot of mugs).

Please send your CV and covering letter to lhmp.recruitment@nhs.net

Closing date for applications is Tuesday 19 May 2026.

Interviews will be held week commencing 25 May 2026.
